

White Bluff United Methodist Church Mask-Optional at Church Activities

Church Family,

During the pandemic, our "Back to Church" team has relied on information from medical experts when making decisions for church activities.

This week the CDC announced that it is now safe for vaccinated people to no longer be required to wear a mask or social distance indoors and outdoors, except for special cases. With this announcement, we are now making masks optional at church on Sundays.

See you Sunday!

Thanks,

**Bill Brown-Church Council Chair
Rev. Josh Duckworth-Senior Pastor**
