GREETING and CELEBRATION OF CHILDREN'S SABBATH

Olivia Amato

LEADER: This is the day we gather to celebrate the sacredness of children. We come thanking God for children and longing to keep our young brothers and sisters safe.

PEOPLE: This is the day we rejoice together as God's children. Some of us are young. Some of us are older. But we all are children of a mighty God. Together we will learn from one another. Together we will praise God.

LEADER: Today we are observing the Children's Sabbath. The observation was started by the Children's Defense Fund, a group working to bring justice for children all over the world. It is a day to make congregations of many faith beliefs aware of the needs of children, and call God's adult children to act on behalf of God's younger children. Join us as we worship God.
